

Thank you for giving us the opportunity to participate with you in the renewal of your health. It has been a pleasure to serve you during your care in our office. I hope your experience with us has been a good one, and that we have been able to demonstrate our concern for both you and your health.

Since you haven't responded to our previous contacts nor been in for an adjustment recently, we interpret this to mean you've received as much benefit from chiropractic as you deem necessary at this time. Therefore we will be transferring your file to an inactive status.

However, you are welcome to re-activate your care at any time in the future. Your records will remain on file and we would welcome the opportunity to serve you in the future whether you experience a relapse of the symptoms that may have brought you to our office, or you're interested in a wellness-based Nerve Function Analysis. Please call if I can answer any further questions or be of service to your friends or family.

On behalf of my staff, accept our warmest thanks for allowing us to accompany you on your journey towards optimal health.

Yours For Better Health,
